SUBJECT: Buses on Venetian Causeway During the Boat Show

Dear Mayor and Honorable City Commission:

The Transportation and Parking Committee met on February 6, 2012, and would like to communicate that they are not in favor of large buses crossing the Venetian Causeway Bridge during the Boat Show.

This is a concern, as it may be a safety issue in addition to challenges related to the existing construction project. The Committee highly recommends coordination in seeking an alternate route for these buses and/or use of smaller vehicles, if the route remains on the Venetian Causeway.

Sincerely,

Transportation and Parking Committee
